

BACKLOG BUDDY ? STUDY MATERIAL

Big Data Analytics ? Unit-wise Lecture Notes

Subject Code: CS701 Semester: 7

.....
Condensed notes covering all five units: Hadoop Ecosystem, MapReduce Programming, Hive and Pig, Spark and Stream Processing, NoSQL Databases.

Unit 1: Hadoop Ecosystem

- Definition, key concepts and significance of Hadoop Ecosystem
- Important diagrams / derivations / algorithms for Hadoop Ecosystem
- Solved examples and previous-year questions on Hadoop Ecosystem

Unit 2: MapReduce Programming

- Definition, key concepts and significance of MapReduce Programming
- Important diagrams / derivations / algorithms for MapReduce Programming
- Solved examples and previous-year questions on MapReduce Programming

Unit 3: Hive and Pig

- Definition, key concepts and significance of Hive and Pig
- Important diagrams / derivations / algorithms for Hive and Pig
- Solved examples and previous-year questions on Hive and Pig

Unit 4: Spark and Stream Processing

- Definition, key concepts and significance of Spark and Stream Processing
- Important diagrams / derivations / algorithms for Spark and Stream Processing
- Solved examples and previous-year questions on Spark and Stream Processing

Unit 5: NoSQL Databases

- Definition, key concepts and significance of NoSQL Databases
- Important diagrams / derivations / algorithms for NoSQL Databases
- Solved examples and previous-year questions on NoSQL Databases

Exam Tips:

- * Start with the latest syllabus and exam pattern ? focus on units with the highest weightage first.
- * Solve at least 3 previous year papers under timed conditions before the exam.
- * Focus on frequently repeated topics ? they are strong preparation priorities based on available papers (not guarantees).
- * Revise definitions, diagrams and standard derivations ? they earn easy marks.
- * Practise numerical problems from every unit; papers usually include 2-3 compulsory problems.

Disclaimer: Sample study material for preparation support only.

Appearance counts are based on available papers and are not exam predictions.
